Re: *United States v Omaris Rosario-Almonte*, 24 Cr. 559 (CS)

Your Honor:

I represent Omaris Rosario-Almonte. At the outset of this case, Mr. Rosario-Almonte's passport was surrendered to the pre-trial services office. In January of 2025, he was sentenced to a term of fifty months of imprisonment. As of the date of this letter, the pre-trial services office is still in possession of the passport, but my understanding is that it may be discarded or sent to another location soon. His family would like to retrieve the passport for future purposes. Accordingly, I ask that you endorse this letter so that it may serve as an Order to pre-trial services for the return of his passport by the Clerk of the Court.

Thank you for your attention to this matter.

Respectfully submitted.
